

## CUSTOMER'S ENERGY DATA FORM

### A CUSTOMER INFORMATION

Consumer's Name: \_\_\_\_\_  
 Industry Type: \_\_\_\_\_ Contact Person: \_\_\_\_\_  
 Tel Nos: \_\_\_\_\_ E-Mail: \_\_\_\_\_  
 Address: \_\_\_\_\_  
*(The Consumer should kindly name a Rep to this transaction)*  
 Description of Business Activity: \_\_\_\_\_

### B EQUIPMENT

| Description   | Nos | Current Capacity Of Already Existing Equipment Installed | Type of Fuel / Feed Stock Equipment Use | Current Daily Consumption of Fuel / Feed Stock |
|---|-----|--|---|--|
| Process Plant   |     |  |   |  |
| Boiler  |     |  |   |  |
| Furnace   |     |  |   |  |
| Ovens   |     |  |   |  |
| Turbines  |     |  |   |  |
| Kiln  |     |  |   |  |
| Heat Exchanger  |     |  |   |  |
| <b>Diesel Generators</b>                              |     |  |   |  |
| Current Generator Installed Capacity in (KVA or MW)   |     |  |   |  |
| Current Daily diesel or Heavy Fuel Oil burn in litres |     |  |   |  |
| Number of hours of operation in a day                 |     |  |   |  |
| Number of days of operation in a month                |     |  |   |  |

### C FUEL / ENERGY CONSUMPTION PROFILE

| FUEL TYPE                | CURRENT CONSUMPTION | FUTURE CONSUMPTION | UNIT                |
|--------------------------|---------------------|--------------------|---------------------|
| Natural Gas              |                     |                    | MMSCF/Day           |
| AGO                      |                     |                    | Litres Per Day      |
| LPFO                     |                     |                    | Litres Per Day      |
| HEAVY FUEL OIL           |                     |                    | Litres Per Day      |
| LPG                      |                     |                    | Metric Tons Per Day |
| DPK                      |                     |                    | Litres Per Day      |
| Electricity              |                     |                    | Kwh                 |
| DISCO Electricity Tariff |                     |                    | NGN/Kwh             |

Intended Use of Pipeline Natural Gas (PNG) [Tick as appropriate]:  For Generating Power  For Process Feedstock

Is your company / organization Operational?  Yes  No

Total operating hours/day: \_\_\_\_\_ D) No. of Shift (8 hours): \_\_\_\_\_

| Operating Days / Time | Monday | Tuesday | Wednesday | Thursday | Friday | Saturday | Sunday |
|-----------------------|--------|---------|-----------|----------|--------|----------|--------|
| Start                 |        |         |           |          |        |          |        |
| End                   |        |         |           |          |        |          |        |
| Hours of Operation    |        |         |           |          |        |          |        |

Weekly Holidays: \_\_\_\_\_ Average days of work / year: \_\_\_\_\_

E) Required Gas Delivery Pressure (if known): \_\_\_\_\_

• FUTURE EXPANSION PROGRAMME (NEXT 5 YEARS): \_\_\_\_\_

Signed: \_\_\_\_\_ Date: \_\_\_\_\_
